SUBJECT: National Education Association - 1978 Study

The National Education Association has again asked us to assist them with the distribution and collection of information for their 1978 study of teacher supply and demand in public schools.

Would you please complete the enclosed TS&D Form I and return the form to us at the above address by March 3, 1978. Your participation in this annual study contributes to accurate estimates of the supply and occupational status of recent graduates prepared to teach. We appreciate your assistance.
